I graduated from State University of New York at Buffalo (SUNY) with Master of Science degree in 1996. After moved to great Sacramento, I live with my husband, John Shen and two lovely daughters, Shirley and Susan. Shirley works as a new generation civil engineer in WSP, San Francisco and Susan just graduated from Columbia University with MS working as actuary in NYC.

I love playing tennis, dancing and travel. CCEA and CCCS have brought countless joyful moments and memories to me and my family members in past 20 years. So I'd like to contribute my effort and time to serve our great CCCEA big family.
