

Dr. Jinxing Zha (查金星)

California Department of Transportation

Tel: (916) 227-7923

E-Mail: jzha@cccea.org

Dr. Jinxing Zha is presently working with Caltrans - Office of Earthquake Engineering as a structure design software programmer. He graduated and earned his Ph.D. from the State University of New York at Buffalo in 1995 after he studied in Hohai University and Tongji University in China majoring in Civil Engineering. He has been a frequent volunteer in various community activities since he joined CCEA in 1995. He loves sports such as swimming, hiking, and basketball games. Recently on Saturdays he is playing basketball indoors or outdoors with friends.
