

Patrick Ji (冀小元)

Hydrologic & Hydraulic Engineer

Department of Utilities

City of Sacramento

Phone: 916-281-7735

E-mail: xihan0210@gmail.com

Graduated from the Department of Environmental Engineering of Tsinghua University with a Bachelor's degree and from University of California, Davis with a Ph.D in water Resources Engineering. Currently working in City of Sacramento Department of Utilities as a Hydrologic & Hydraulic Engineer. Also serving as an adjunct Professor, I am teaching in Department of Civil Engineering at Sacramento State University. My hometown is Xian, Shannxi, a city with over 3,000 year history.

Married to Quan Zeng with two daughters Grace and Gianna, 13 and 5 years respectively. Love to play tennis, badminton and enjoy running.
